**Subject:** RE: Senate Budget Amendment- K12 Winter Island Transportation

Hi Peter,

The school district is on the mainland (this is Bayfield School District and Madeline Island—town of LaPointe—we are talking about), and they transport pupils from the island to the mainland and back again. There is an elementary school on this island, but that is only for kids who are already on the island I believe.

As to the other questions:

- 1) On-going
- 2) Annual
- 3) Not in addition to, but funded from the increased transportation aids provided by the Governor and JFC

Thanks-

dk

Dan, is the school district transporting pupils, who reside on the mainland, to and from school, which is located on an island? Or vice versa? Or do you mean that the school district, which is located on an island, occasionally has to transport its pupils (who also reside on the island) to and from the mainland?

Is this an ongoing appropriation (i.e., beyond the 2007-09 fiscal biennium)? And is the \$35,000 an annual amount? And is the amount in addition to the amount appropriated under the bill for pupil transportation?

Peter,

Senator Jauch would like this drafted for possible inclusion in the Senate Budget. I understand its late, but we received the request just this morning. I am working with Senator Robson's office on it, and have CC'd Andy Engel on this email.

Let me know if you have any questions-
